

## Notes for applicants

As the application form may be photocopied, please write clearly in black ink or type.

### PERSONAL DETAILS

In order to ensure that our recruitment and selection process is fair and non-discriminatory, the cover sheet containing your personal information will be detached from the rest of your application and will not be seen by the shortlisting panel. In the same way, the Equal Opportunities Monitoring Form will be detached and not seen by the shortlisting panel. HR will record a serial number in the box in the top right hand corner of the Application Form cover, the main Application Form and of the Equal Opportunities Monitoring Form. This is done, as it is important that all parts are matched up again on completion of the process.
