

# Cake Off Challenge

Hosting your own baking extravaganza is as easy as 1,2,3!

## 1 Pick your theme

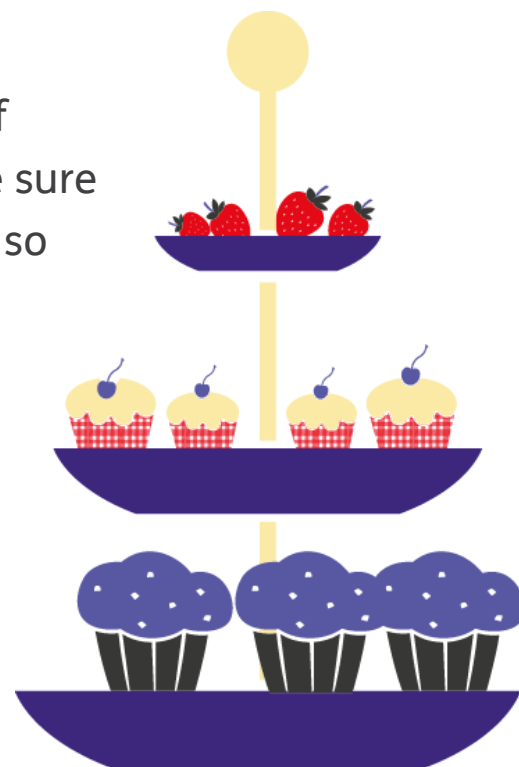

From Biscuit Week to Danish Week, there are plenty to choose from. Alternatively, just let everyone make their favourite showstopper!

## 2 Challenge your colleagues

Round up all the keen bakers and ask them if they'd like to take part. Set a date, and make sure you tell everyone in the office it's happening so they remember to bring their donations!

## 3 Taste Time!

In return for a suggested donation of £2, each taster gets 1 tasting portion of all of the cakes. Then they vote for their favourite, and once everyone has voted you can crown the winner!

If you need any tips or support with your Cake Off Challenge, please contact our Cake Off experts\* at [fundraising@carersuk.org](mailto:fundraising@carersuk.org)

\*Please note that we are experts at eating cake and cannot guarantee that your baking will be improved by following our advice.

# Top Tips

If anyone forgets to bring cash on the day, they can text "CAKEOFF 3" to 70450 to donate £3. This costs £3 plus your standard rate message charge.
