

Help make life  
better for carers

Join the Carers Policy  
Forum NI

[carersni.org](http://carersni.org)

 **carers NI**

# Are you interested in sharing your experience of unpaid caring and influencing policy development?

Carers NI's Carers Policy Forum, is now entering its second year and by joining you can help make life better for carers across Northern Ireland.

The forum enables carers to share their knowledge and experience, help develop agreed positions on key policy areas and provides opportunities for carers to engage with Government, decision makers and policy developers.

- You can attend as many or as few meetings as you like
- You can have your say and contribute at times that work best for you
- You could contribute to the forum in writing if you are unable to attend meetings
- You will get the opportunity to meet key decision makers to advocate for change
- Funding may be available for replacement care to support attending the larger events.
